

# 1st Amendment Rights Area

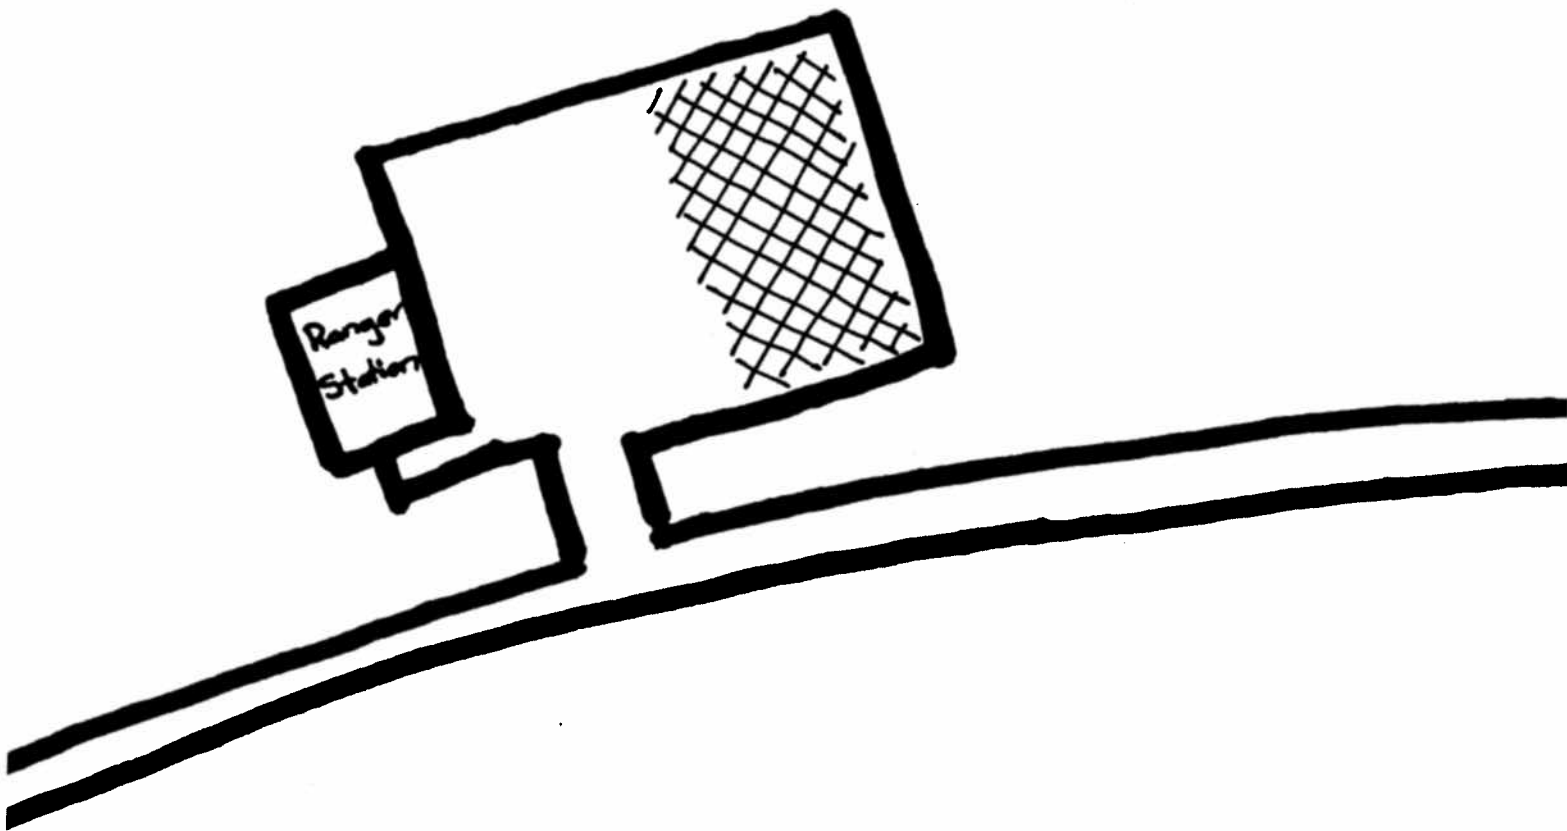

**Furnace Creek Visitor Center**

## A hand-drawn map showing a site layout. A thick black line runs vertically, labeled "Highway 190" on its right side. To the left of the highway, there is a large rectangular area divided into several sections. One section is labeled "Grass" and contains a small triangle. Another section is labeled "Grass" and contains a small circle. A third section is labeled "Registration". To the right of the highway, there is a hatched area containing a small circle, and a cloud-like shape. The drawing is simple and schematic.
